Logging into the MINE to see your Employee page:

1) Go to: https://pa84pr-csm.isd.doa.state.mt.us:7651/psp/pa84pr/?cmd=login

Insert your C# that you use to log in to your computer, and use the same password

2) On the enterprise Menu, click on the "Agency Intranets" link

3) Under Agency Intranets, you should see the DNRC link, click on it, and you will be

To best view the site, click the arrow on the pink strip at the top of your left navigation tool bar, this will then minimize that tool bar, while maximizing your view of the DNRC site.

To return back to the left navigation tool bar, click on the expand icon at the top left of the DNRC header.

If at first, you don't see the DNRC link, try first clicking on the Administration link. The DNRC link may appear after you have done that. If it still doesn't appear, try logging off and then back in. If that doesn't work, drop me a line at jfavero@mt.gov, and will call our friends over at ITSD and they will set up your account to view our site.
